

Colourful Kandinsky
 Kandinsky is famous for the rainbow circles paintings and they will look amazing!

Do It Yourself ART GALLERY AT HOME

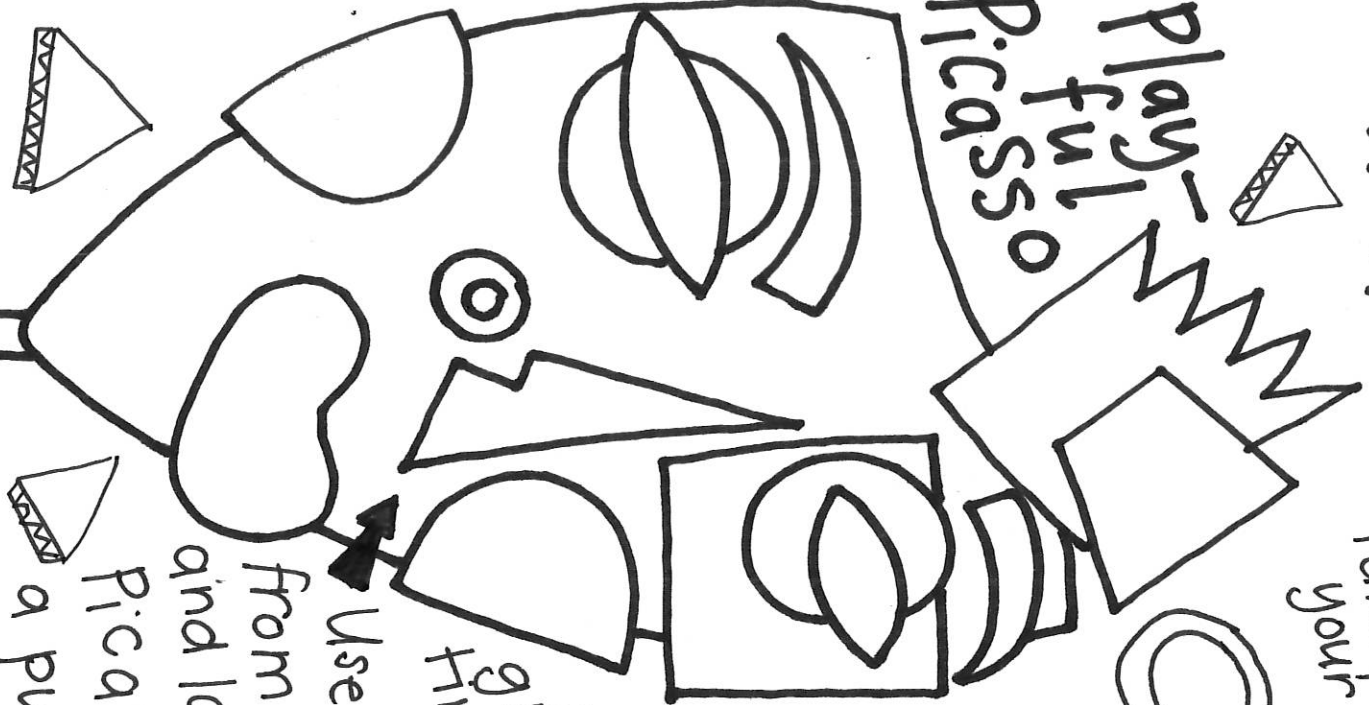

Matisse is famous for his cut out pictures - you could use coloured paper to make shapes - take photographs of your patterns

Matisse liked to use bright colours, spirals, leaves & people shapes.

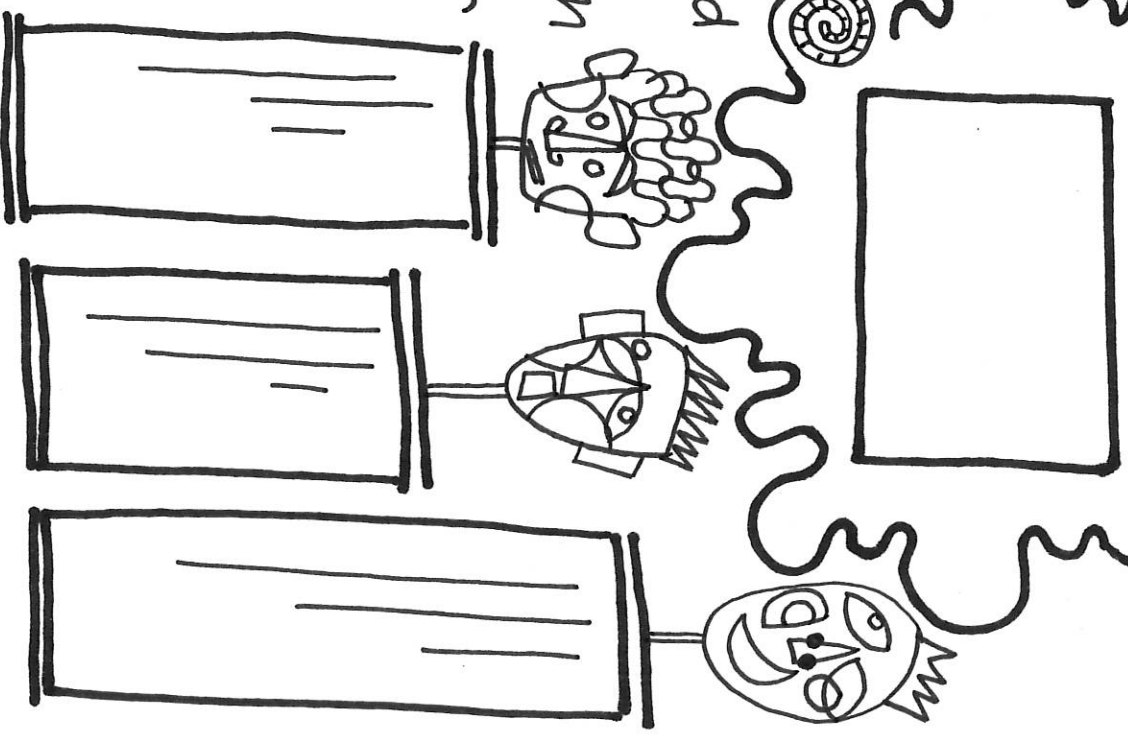

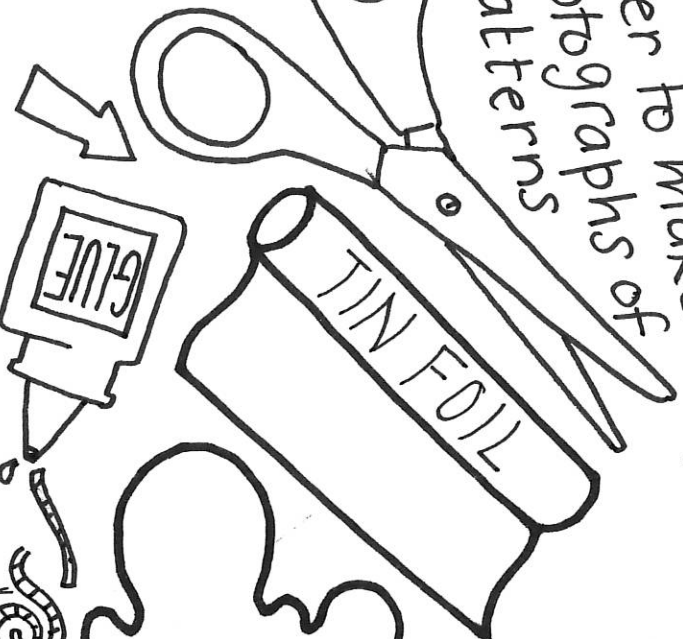

Marvellous Matisse

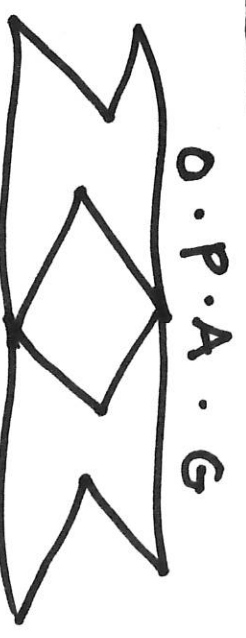

Playful Picasso

make your own posh picture frames. Cut out and make patterns with gwey string cover with tin foil & rub the pattern
 Use corrugated card from a box to cut shapes and layer up to make Picasso Faces. Paint up a put on a stand.
